PREFACE

WAVES OF ENCHANTMENT hold the pages of this book together. In these pages is the story of the seaweed that we, the students of CHS, have gathered as we journeyed upstream. Realizing that we are all but little fish in a great sea, we have sought to fulfill our aims and ambitions in the deeper waters and swifter currents of higher learning. Thus we have charted this course Underwater and in due season shall gain the real treasures from the sea of life.

Dedication

When this class of 1956 graduates, it will climax the graduation of forty-two classes from this building. The next class will graduate from the new building on University Avenue. Students from Champaign High School have studied, experimented, and learned together and then have gone forth to make their contributions to society.

This year the *Maroon* staff felt that it would be appropriate to dedicate this 1956 *Maroon* to all those students who have graduated from this Champaign High School building.

NEPTUNE

DR. E. H. MELLON

The manager of a factory, school system, or other business is the person who makes the plans and gives the orders to his workers. He uses his brains to keep the business going. A school system is certainly no exception; thus it needs a manager or superintendent. Champaign Unit IV schools are extremely fortunate to have as their superintendent Dr. E. H. Mellon. The task of supervising sixteen grade schools, two junior highs, and one senior high school devolves upon Dr. Mellon and his associates. As one might guess, Dr. Mellon operates one of the most efficient offices in Champaign.

THE BOARD OF EDUCATION

Working always to improve our school system, the Board of Education, a group of civic-minded men and women to devote many hours without pay. To keep up with the growing enrollment, the Board has had many special meetings devoted to the building program. Not only are they concerned with buildings, but they also spend time interviewing candidates to teach in the new buildings.

Another responsibility of the Board of Education is to formulate the policies governing our school system. This year working with a Citizen's Survey Committee they have tried harder than ever to make our school system one of the best in the state.

Left to right—Mr. Ralph Eckerstrom, Mrs. Elizabeth Squires, Mr. M. R. Grindley, Dr. E. H. Mellon, Mr. H. S. Dawson, Mr. John Faulkner, Mr. E. A. Colbert, Mr. A. R. Troutman.
Absent—Dr. W. R. Freeman.

MR. WOOLEY

W. T. Wooley, principal of Champaign High School, certainly contradicts any ideas one may have about an "unapproachable headmaster." Because of his genuine interest in "teen-agers," he extends to any student with or without a problem a friendly welcome. In addition to these qualities, Mr. Wooley is an excellent school administrator. Having received his Bachelor's and Master's degrees from the University of Illinois and done graduate work at Columbia, Harvard, and Vermont universities, our principal is academically "tops."

Moving into the new high school building on University Avenue in the fall of '56 will be a tremendous job, and Mr. Wooley's experience and ability promise a smooth and efficient change.

MISS NELL ZEHNER

Vice-Principal and Dean of Girls

From the minute a student steps into the Vice-Principal's office, he is aware of the warm, friendly atmosphere that prevails there. Miss Nell Zehner has maintained this cheerful air since her arrival at Champaign High in 1946. Miss Zehner fills a double role at CHS, serving as Dean of Girls as well as Vice-Principal.

Her duties are so numerous and time-consuming that Miss Zehner seldom has a moment to call her own. Topmost on her list of services is helping the girls with any problems confronting them, and assisting them in choosing subjects which will benefit them most.

Along this same line, Miss Zehner spends many hours planning and filling out schedules for the students enrolled in CHS.

Because of her helpful attitude, Miss Zehner holds a lasting place in the hearts of all CHSers.

FRED MAJOR

Dean of Boys

As Dean of Boys, Fred Major serves in a capacity important to all CHS males. A former Champaign High football coach, Fred has had much experience in working with boys, and he certainly knows how to counsel them. That is why some boys, finding themselves with a free moment or two, go into Fred's office "just to talk." Fred has been a very important person in the lives of CHS boys for many years and will be remembered for his strong guidance and understanding nature.

Senior Class - - - The Kingfish

After three years of preparation we, the Kingfish, are finally ready to venture out into the ocean of life.

As sophomores we came to senior high expecting these three years to be the best of our lives. We survived the torture of initiation and thrilled at being a part of Champaign High. Chosen to lead us through our first year were Dave Roseman, Jim Majors, Karen Koehnemann, and Virginia Temple.

As the junior year came around everyone felt more sure of himself and began to feel a part of the school. Our leaders of the junior year were Bill Wheat, Judy Corley, Marcia Spencer, and Connie Palmisano. Feeling more self-confident we took on more responsibilities; the choosing of our class rings and the main project of the year, the Junior-Senior Prom. The Prom lived up to its name and was truly an "Evening in Paradise." Then as the year approached its conclusion, we provided the decoration for Baccalaureate and Commencement.

The beginning of our last year drew closer, and we built up more enthusiasm and hoped for more exciting things to come. Here was the year we had been waiting for and naturally we wanted to make it our best. With Tom Franklin, Gary Kortkamp, Katy Miller, and Don Wood to guide us, we undertook our many activities. First was the Senior Trip, a trip by train to Washington, D. C., New York City, and back home. After this came the Senior Skip Day, a day set aside for the entire Senior Class to go on an all-day picnic somewhere nearby. Then came the Senior Banquet and finally graduation; a day of mixed emotions, for this was the last time we would all be together as a group.

But as we look over the past years, we have every reason to be proud of ourselves; we did well in every field. And now, as we look to the future, we feel certain that each and every one of us will excel in his chosen profsesion.

Junior Class - - - The Sharks

During the year, if you happened to see some "sharks" floating around the halls, those were really the juniors in disguise. Although they may not have sailed the seven seas, the Juniors carried on a lively round of activities.

Among these activities was the sponsoring of two dances, one after the Kankakee basketball game and the other, after the regional tournament game.

The class also sponsored the Junior-Senior Prom which was held May 5. Responsible for seeing that this big event was well-publicized were Terry Lappin and Carol Clemons. Kathy Kariher and Wendell Cross supervised the planning of the decorations. Carol Austin and Joyce Bonwell were in charge of chaperon invitations. Of course there had to be someone to look after the admission, so Joy Lauterborn and Dave McGuire made sure everyone had tickets for the dance. Barbara Marikos and Marilois Koss were in charge of programs, and the cloak-room was under the direction of Paul Stowe and Ann Drenckhahn. While everyone sat back and enjoyed the entertainment for which Melinda Bresee and Roger Derby were responsible, the evening was well rounded out with refreshments by Caroline Heintzen and Jane Unzicker.

The head "sharks" elected for the year by their classmates were Joe Atkinson, president; Beth Dohme, vice-president; Sue Mittendorf, secretary; and Denny Dahl, treasurer. Mr. Walt Loftiss and Mrs. Alice Barlow lent their able assistance to the class as the sponsors.

In September, a class ring committee composed of last year's sophomore officers selected several styles of class rings and pins. Later, the class held an election to decide which style would be used by the class.

Sophomore Class - - - The Minnows

When the "minnows" first arrived at CHS, they were lost amidst a sea of people. Many of them undoubtedly had fears of all the old initiation tricks and pranks that were usually pulled by the upperclassmen. This year the old initiation program was replaced by "help week" sponsored by the Student Council. The aim for the "help week" was for all the upperclassmen to lend a helping hand to all the sophomores in getting into the "swing" of things. The sophomores received a letter of welcome although they needed no letter to welcome them as a part of the school. An orientation program was also held for the class during which they learned about the school's activities from members of the various clubs and sports. They also learned the school song and were introduced to the general affairs of the school.

The first few weeks were "sink" or "swim," and although confronted by a wave of books, papers, assignments and the like, every member of the class proved himself to be a real "swimmer."

The next event of the year was the election of class officers. After a close running of all the contestants, the final returns showed the very capable head "fish" for the year to be: John Breen, president; Charlie Younger, vice-president; Julie Vance, secretary; and Bob Rasmussen, treasurer. The class Sponsors were Miss Bertha Malzahn and Mr. Glenn Tilbury.

As the year progressed, the sophomores put a sparkle into CHS activities and made a name for their class that will always be remembered at CHS.

Honor Society

Early in the spring, many happy faces filled CHS corridors. These people were happy because they had been chosen as new members of National Honor Society.

This year thirty-two new members were initiated into the CHS branch of the National Honor Society. Instead of having an assembly as in previous years, the club decided to have a banquet at the Moose Lodge for the new members and their parents.

The initiates, selected by the faculty, were given their club membership cards and the official pins at the impressive candle-light ceremony after the dinner. To be eligible for admission into the club, one must have the necessary scholastic standing as well as show leadership, service, and character in school studies and activities.

To raise money, the Honor Society, led by Dave Roseman, sponsored a dance and concessions after a basketball game. To asisst Dave were vice-president, Marion Wikholm; secretary, Christine Garrard; and treasurer, Bob Madix. Mrs. Hill is sponsor.

Student Council

Student Council Officers

Student Council has been especially busy this year. Nearly every Monday and Wednesday fourth hour, students found President Jim Majors calling the meeting to order in room 340. The Council is comprised of ten members from each class elected by the members of their respective classes and is led by five officers elected in the spring, and by their capable sponsor, Miss Marjorie Strong.

The Student Council has undertaken several new projects this year. Champaign was asked by the State Student Council to make a District Scrapbook which might help the schools in our district solve their problems. When the schools have a problem, they send to Champaign who sends them the material on the particular subject. Another new project is selling United States Savings Bond

Student Council selling U. S. Savings Stamps

Stamps every Wednesday after school. The student body voted to back the Council in sponsoring a Foreign Student Exchange Program. We hope with the cooperation of the students to raise enough money to have a foreign student come to our school next year. The Student Council was put in charge of the student center in the new school. With the help of the students, teachers, and other organizations, the Council planned the furnishings of the room and at present is planning its organization.

This year a new Sophomore Orientation Program was tried out. Before school started, the sophomores were sent a letter inviting them to come to school on Sept. 6. In an assembly these neophytes were familiarized with the many and varied clubs and activities in CHS; then they were divided into groups of twenty and were sent to rooms where an upperclassman and a teacher explained the school's procedures to them.

The district convention was held in Villa Grove on November 12; ten delegates from Champaign attended. Melinda Bresee, who was elected president, represented the district at the convention held in Chicago at the Sherman Hotel on April 26, 27, 28, and will attend the National Convention in June in Toledo, Ohio. Pam Parkhill, Beth Dohme, and Denny Dahl also represented Champaign at the State Convention. Pam and Miss Strong reported at the District Convention on the National Convention which they attended in Philadelphia last June.

The three local high schools, Champaign, University, and Urbana, sponsored the Tri-High Dance of which Joeve Vaughn was Queen from Champaign, the Tri-High March of Dimes Stunt Show, and the Block of Dimes.

At the beginning of each year different committees are appointed to help the Student Council function efficiently. The supplies committee sells paper, pencils, notebooks, etc., every day before and after school. The Welcome and Welfare committee sends get-well cards to the students and teachers who are ill, and they also welcome new students during the year.

The Scrapbook Committee keeps a scrapbook of Student Council activities. The Publicity publicizes the Council activities and programs. The Lost and Found takes care of lost articles which are brought into room 340. Later the committee holds a sale and auctions off the articles they can. The Election committee takes care of election, by making the ballot, working at the polls, and counting the votes. The Cheerleader committee is in charge of varsity cheerleading tryouts each spring and reserve tryouts each fall. The Student of the Month committee is made up of Sophomores and Juniors who select an outstanding Senior each month. Last but not least is the Activity Ticket committee. When a student buys an activity ticket from the Student Council, he gets twelve dollars worth of activities for only six dollars.

Plus all these activities the Student Council tries to help solve the problems of the students and improve the school.

"Who is this?" "It must be in here!" "Hard work but oh such fun!"

"Viva la Maroon" is a familiar cry heard from the editors and members of CHS's yearbook staff. The *Maroon*, first published about 1910, chronicles the year's activities by picture and word.

One of the first projects of the *Maroon* staff was taking pictures of the activities, underclassmen, and football, and seeing that seniors had theirs taken by a local photographer. Snapshots, one of the most popular features of the book, occupied the time of the amateur photographers.

Features of the *Maroon* of which the staff is justly proud are the art work, all done by students; the large number of informal snapshots taken by our staff photographer; the interesting page layouts planned by the department editors; and the original cover designed by our staff artist.

Financing a yearbook such as the *Maroon* is a big project. Selling advertising provides one of the major sources of income. The business staff spends many afternoons after school and Saturdays selling enough advertising to meet our quota. Another activity of the business staff is the subscription campaign. The increasing number of subscriptions sold every year is indeed a tribute to their efficiency.

To aid in earning the money to publish the *Maroon*, the entire staff joined forces and sponsored a dance after the Champaign-Mattoon basketball game and took charge of the concession stand at another basketball game.

The many activities connected with publishing a yearbook, such as planning page layouts, taking pictures, writing stories, preparing drawings, selling advertising, collecting information on many subjects, and typing the copy make this activity not only much fun but also a very valuable experience to its members.

Chronicle

News travels fast, but not too fast for the *Chronicle* staff. This group of reporters, sports and feature writers, photographers, back page editors, salesmen, and deadline writers make one of the most efficient staffs CHS has ever had. Weekly they publish colorful and informative articles which are of interest to most students.

The Champaign High *Chronicle* belongs to two outstanding journalistic societies, the International Quill and Scroll and the National Scholastic Press Association. It also subscribes to and distributes to the student body, *Roto,* a magazine for young people.

The spice of the *Chronicle* this year has been the special issues during the holidays and the new columns, "Spotlight," "Sports Slants," and "Woods and Marshes."

All work and no play makes *Chronicle* members sometimes dull; so the staff members hold impromptu parties whenever a member has a birthday. These parties are very informal and fun for all. Food is provided by Mrs. Barlow and anyone else who wishes to provide it. The Champaign High *Chronicle* not only provides for the teaching of those who are interested in journalism, but it also provides fun for all.

Every Tuesday *Chronicle* staff members may be seen running around madly to meet their deadline. Sometimes they don't make it, but kind Mr. Mills, the publisher, always waits. *Chronicle* is also allowed as many pictures as they want, which is another courtesy Mr. Mills extends to them.

The executive department consists of Reva Shmikler and Virginia Temple, editors-in-chiefs, and Mrs. Barlow, sponsor.

Quill and Scroll

Quill and Scroll, a national honor society for those who have shown proficiency in journalism, was brought to our school by General Bush Gibson in the nineteen twenties. In order to qualify for membership in this club, one must have worked diligently on either the *Maroon*, the school yearbook, or the *Chronicle*, the school newspaper.

If one is a member of the *Chronicle* staff, he may become a member of Quill and Scroll after earning 600 points. Members may earn these points in a variety of ways: writing stories, selling ads, or typing. On the *Maroon* staff, membership is based on the time and effort a staff member puts forth in compiling the yearbook.

High lighting the activities of Quill and Scroll is a banquet held each April honoring the new members. During this banquet new members are required to perform skits for the evening's entertainment. The money for this banquet is earned by sponsoring a dance and concession stand after a basketball game.

El Staff

Every day approximately thirty girls combine their talents to make our library smooth and effective. In every active group there must be a few to take on the responsibilities of management; in this group, Karen Casteel, president; Margie Trimble, vice-president; Judy Forte, secretary; and Marilyn Alexander, treasurer. These ambitious girls, along with the rest of the group, are eligible for a letter the first year, numerals the second year, and chevrons the third year.

The awards were presented to the girls based on the number of points they earned during the year.

The staff members participated in many student librarian activities. Marilyn Alexander, for example, gave a book review on *The Family That Nobody Wanted* at the East Central Illinois Student Librarians Association Conference. The rest of the girls worked on displays for the conference.

The girls were also busy with other activities. This year they sponsored a dance after a football game and sold concessions at one of the basketball games.

One of the reasons the club has been so efficient this year is their new sponsor, Miss Thelma Englund. She may be seen pasting, cutting, instructing or writing; she is always involved in some kind of work.

Pasting scrapbooks, earning money, planning interesting meetings, and trying to fulfill the purposes of the club were activities which occupied the attention of the Future Homemakers of America. Of these activities the scrapbook, consisting of the creed, the purposes, and other features of club news, was the annual project.

To earn money to carry on the club's projects, these ambitious girls sponsored a dance after a basketball game and took charge of the concession stand during another game. Two other interesting events on the club's agenda were a formal installation and an initiation of new members.

This C.H.S. Chapter of F.H.A. is one of the many chapters of the national organization. The purpose of this club is to prepare the young people of today in the field of homemaking. Although only in existence for eleven years, the F.H.A. is one of the fastest-growing youth organizations in the world.

Mrs. Lila Jean Eichelberger was the sponsor of the club this year.

COMMERCIAL CLUB

To be a member of Commercial Club, a girl must be enrolled in at least one commercial course. These girls are kept busy during the year aiding the faculty, helping with State Civil Service examinations, and helping with the wrestling programs for the sectional tournament.

In order to be initiated into Commercial Club, a member must participate in one of three projects during the year. One project for those enrolled in first year business courses is art typing. Another is helping with concessions during a basketball game, and the third is serving as secretary to a teacher. This gives them invaluable experience and a look at their future field.

During the year the club sponsored a dance after the Springfield basketball game on January 13. Also, gifts were sent to the Huling Home during the Christmas season.

Heading the club this year were Sharon Overmyer, president; Pat Collins, vice-president; Connie Palmisano, secretary; Peggy Kurzweg, corresponding secretary; and Carol Cavanaugh, treasurer.

"Max" Maroon (Pat Kortkamp and Esther Bundy)

Halftime

Peparoons

"Go Champaign, beat.....!" Such chants, cheers, and songs have often been heard pouring from one or more yellow school buses. The buses, chartered by Peparoons, the C.H.S. pep club, are on their way to back one of the great Champaign teams. The noise everyone's been hearing will continue all the way to the destination and even back again.

This year Peparoons chartered buses to two away football games: Joliet and Danville; and two basketball games: Danville and Mattoon. Providing for these buses was the responsibility of the chairman of the Transportation Committee, Anne Seymour.

Besides the transportation committee, Peparoons had two other committees. Judy Corley and Carolyn Heintzen are the chairmen of the Pom Pom Committee. During the football season, pom poms were sold to Peparoon club members for a nickel.

The sale wasn't very big so the practice was discontinued.

The other committee was hall decorations. Norma Colegrove was its chairman. From the beginning of the football season until the end of the basketball season, they were active making posters and stringing up streamers.

The character with the white fuzzy head, wearing the maroon outfit, is Max Maroon. At the football games Pat Kortkamp as Max helped lead cheers and yells for our team. During the basketball season, Pat became a spectator while Esther Bundy took over as Max.

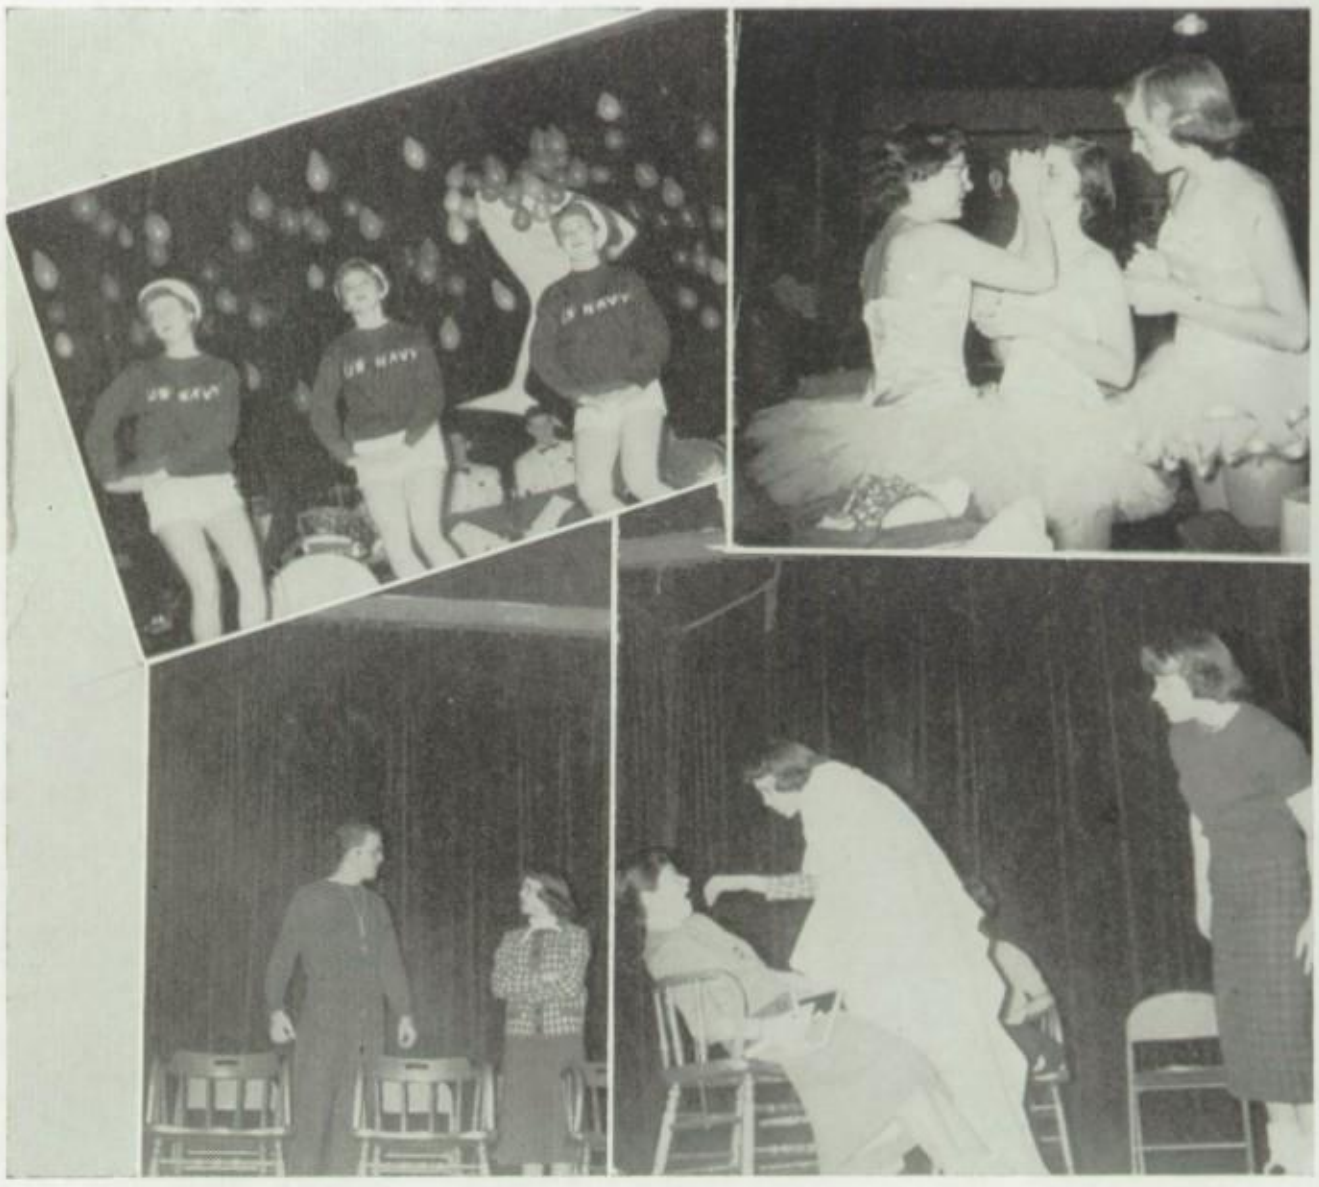
Dramatics

Vital to our life at CHS are the dramatic activities. Chief among these activities is Wig 'n' Paint, the dramatics club and the club with the largest membership. To become a member of this club a student must present an act or stunt of some kind. Those Wig 'n' Painters who earn one hundred points are eligible for membership in Thespians, an honorary society in dramatics. Both Wig 'n' Paint and Thespians are sponsored by Miss Marian Stuart.



Left to right—"Rub-a-dub-dub," "Gettin' Ready," "Our Miss Brooks."

Advising these groups is the Drama Board, which helps formulate policy. This board consists of the presidents and treasurers of Wig 'n' Paint and Thespians, a member-at-large, two teachers chosen from the faculty, and Miss Stuart and Mr. Meyer.

Wig 'n' Paint is a very busy club, sponsoring five major productions. The first is the annual Stunt Show. Members are received into Wig 'n' Paint by performing in this show. Other productions are the fall play, which was taken from the popular novel, "Love Is Eternal," the contest play, an intriguing mystery, "Shall We Join the Ladies?" and the spring play, "Darling Girls." Some of the better acts of the stunt show were chosen to appear in the Elks' Stunt Show. This affair raised money for a student lounge in the new high school.

To retain membership in the club, each member must receive fifteen points each semester. To earn these points he may appear in a show or work on a production committee.

Debate and National Forensic League

The Debate Team has been active this year throughout the state. The various places where the debates have been held are LeGrande, Normal, and Augustana, Illinois. At the sectional contest held in Bloomington, the team received third place.

When a member of the Debate Team acquires twenty points, he is eligible for membership in National Forensic League, an honorary society in speech. The officers of the Debate Club this year are Tom Franklin, president, and Katy Miller, secretary. No vice-president or treasurer were elected as they were not needed.

The goal of all dramatic-minded students at C.H.S. is membership in the National Thespian Society. Instituted here in 1929, this organization is rapidly increasing in size.

Membership into this organization is obtained by earning at least 100 points. One may receive points by working on the production staff of a play or being a member of a play cast.

This year initiation for new members was held February 2. The initiation services consisted of a potluck supper for new and old members and their parents and a formal initiation ceremony. The formal initiation was conducted by candlelight in the auditorium.

The Thespian troupe, in order to raise money this year, sponsored a dance after a basketball game and a bake sale with Wig 'n' Paint.

G. A. A.

The Girls' Athletic Association, popularly known as G.A.A., is open to all female students of CHS. Those girls wishing to retain membership must respect the rules of this enthusiastic organization and practice daily the exercise of good sportsmanship.

As a reward for their active participation in the sports taken on by the club, the girls may earn awards such as numerals and letters. To determine the number of awards a member receives, points are given for each activity participated in.

Due to the reconstruction of the high school gym, G.A.A. did not get under way until second semester. By state permission Mrs. Major revised the point system so that girls participating in G.A.A. would be able to obtain their designated awards.

This year the major project of the club was hosting the annual "G.A.A. Playday." All schools in our respective area were invited to attend. At the playday the different schools were mixed; this strengthened the feeling of mutual friendship of the clubs.

Helping to make the year's activities a big success were: Cecil Cain, president; Sue Mittendorf, vice-president; Gail Ebeling, secretary; Pat Kortkamp, treasurer; and Mrs. Mary Major, club sponsor.

Future Teachers of America

Encouraging and informing young hopefuls for the teaching profession is the Future Teachers of America Club, sponsored by Grace Wiley.

This year the FTA'ers have been very busy. One of their larger projects was giving Christmas parties for the handicapped children of Unit Four's Special Education classes.

In addition they have been preparing and presenting a series of radio programs. During Education Week, several members appeared on a panel on the WILL television station. With the help of three senior boys, three members conducted a panel discussion entitled "Should Teenagers Marry?" at the PTA meeting in February.

Cooperating with the Urbana and University of Illinois FTA chapters, the CHS members had an added responsibility which has kept each and every member on his toes, hosting the state convention.

To climax their study period, the senior members of the club have been practice teaching in different grade schools. This practice teaching helps them to decide which level to teach and gives them a glimpse of their future.

F. F. A.

The Future Farmers of America were very active this year, headed by their chapter advisor, Mr. Twardock. Besides entertaining the school by their interesting assemblies, they were busily winning awards and making various projects.

One of the big events last fall was seeing Nancy Turner show her calf which won the championship. On this International trip twenty-four members went by bus and stayed two days in Chicago.

For outstanding project work five Champaign members won plaques and medals in 1955. Lee Eichhorst won on corn projects, Dick Hettinger on farm mechanics, Leebert Somers on poultry, Phil Schwengel on electricity, and Don Wood on soil and water conservation.

Last year Lee Eichhorst won also the State Farm Degree. This year Don Wood and Bud Barker will apply for it.

In the land appraisal contest the Champaign team won first in section 17; Bill Stevens first individual, Don Wood third, and Don Prather fourth.

Ray Johnson, Russel Mallock, and Don Prather were on the State and National Dairy Product winning team.

F.F.A. sponsored the Donkey Basketball game again this year. Being a big success again this season the game provided funds to help needy families.

Adding to our organization, some Urbana boys have come to Champaign and are taking vocational agriculture and thus are becoming regular members of the Champaign Future Farmers of America.

This year's officers are: Don Wood, president; Dan Reifsteck, vice-president; Ralph Gudeman, secretary; Don Prather, treasurer; Russel Mallock, reporter; and Jim Corray, sentinel.

Music Department

Familiar "companions" to those in the Music Department are the ever-present box elder bugs which make their home in Room 110. Recently, prizes were offered to those catching the bugs wearing collars! Not all the bugs are box elder bugs, however, for about sixty per cent of the school's population are "music bugs." They compose a great variety of musical organizations under the leadership of Verrollton C. Shaul, Walter Loftiss, and Donald Miller.

Anyone who likes to sing can become a member of the general choir, while A Cappella Choir is a mixed group of about seventy select voices. Two concerts, new on the schedule this year, have featured A Cappella Choir. Under the direction of Mr. Loftiss, this choir has given many outside performances for club conventions and various other spring festivals. For their many months of hard work the choir was rewarded with a tour to Chicago.

Other select vocal organizations include Madrigals, Vocalettes, and Troubadors. The Madrigals are composed of eight boys and eight girls and sing everything from "Bach to Boogie." This group is very select, for it is the highest honor in the vocal department. A group of about twenty-five girls make up Vocalettes, directed by Mr. Shaul. These girls are in constant demand to perform for luncheons, church, and civic organizations. The high light of their year was a U.S.O. program in Rantoul. The girls performed and then were rewarded with refreshments and recreation. Mr. Loftiss directs the Troubadors, a choral group of boys. They also do much performing

"Jammin'"

outside school as well as in school-sponsored concerts.

Instrumental music is also very important at CHS. The orchestra, under the direction of Mr. Miller, started the year with its annual "Pops Concert." In this concert, featuring "light" music, the orchestra was assisted by the A Cappella Choir. Later in the year the orchestra presented a concert of classical music, proving its adaptability. The string ensemble, a select group from the orchestra, does much extra performing at dinners, conventions, and between acts of school

"Almost ready," "Break"

"Before the show"

plays. This year the troupe was honored to play at a tea in the Governor's Mansion in Springfield given for the Illinois Music Teachers Association. A special occasion for the string ensemble and the A Cappella Choir was being guest performers at the *"Dog 'n Suds" Convention* which was sponsored by their former directors, James Griggs and Donald Hamacher.

The band, directed by Mr. Shaul, started the year with a "bang" by marching at all the home football games. The flying batons of the Majorettes, of course, join the band during marching season. During the rest of the year, the band provides music for the basketball games as well as presents their own program of classical music. The pep band, a part of the larger group, gives an added zip to all pep assemblies.

Surely no one has missed the CHS Dance Band! This group of talented fellows and their director, Mr. Loftiss, are constantly playing for dances after the ball games, for Junior High dances, and for assemblies. They have also performed in several stunt shows and in U.S.O. programs.

Baton Club is an organization for all music students. Until this year it had not been an official club since it had no constitution. This club sponsors the annual eagerly-awaited Vice-Versa Dance, which was a success this year. All the technical responsibilities and detail behind the musical concerts are handled by Baton Club members.

Music Department

Modern Music Masters is an honorary musical organization for those who do outstanding work in the Music Department.

Throughout the year these music organizations successfully combined their efforts to produce many programs. The Christmas Vespers Service, Musical Moods, and the Senior Concert were the high lights. Spring found these "music bugs" preparing themselves for the annual contest. These CHS'ers brought back many high ratings, which proved that their hard work during the year was worth while.

Yea maroon (clap, clap); yea white (clap, clap); yea team (clap, clap); fight, fight (clap, clap); yea maroon, yea white, yea team, fight, fight!

Inspiring enthusiasm among the student body to support our athletic teams makes the cheerleaders an invaluable addition to C.H.S. When the play lags a bit or the team needs more pep, these pert "gals" (two seniors and three juniors) jump into action. Not only did the cheerleaders devise many new, peppy cheers such as the one above, but also they helped design their outfits, trim maroon and white jumpers.

To support the sophomore teams, the sophomores elect five girls who practice hard to develop the routines and precision necessary. Although these sophomores do not automatically move up to the varsity, they do gain the experience which helps them in the next election.

The varsity cheerleaders are elected by the student body and supported by Student Council.

"C" Club

"No women allowed" is the motto that could be placed on the door of the room where the "C" Club of CHS has its meeting. To be a member of this organization, a boy must earn a letter either by active participation in a school sport, or by acting as manager of a team. To win this coveted "C" requires long hours and hard work, cooperation, and a "heads-up" performance.

In this club boys from all sports activities form one unit to promote good sportsmanship and to maintain the highest possible standard of athletic competition.

Once a year the motto "No Women Allowed" is discarded. This is the night of the annual "C" Club dance, one of the biggest and most eagerly-awaited events of the second semester. It was held April 14, 1956.

As the other clubs, this club elects officers each year to head the group and to see that necessary jobs are done. Leading the "C" Club this year was Jim Wheat, president; Bill Wheat, vice-president; and Bob Madix, secretary-treasurer. The sponsor was Tom Stewart.

Although the "C" Club doesn't have any specific activities, its members do more than our students realize. The jobs which they do are just as important and necessary as those which get the publicity because their chief goal is to make Champaign High a better school.

C. H. S. Football

On September 1, football practice officially began for the Champaign Maroons, though many players had been working out on their own for several weeks. From September to November 10, these boys spent nearly 100 per cent of their time preparing for another football season. For their efforts, the Maroons of 1955 achieved lasting fame as Champaign's third undefeated football team and as co-champion of the Big 12 conference.

The Maroon's season began with a decisive victory over Danville Schlarmann on September 16 by a score of 20–6. Schlarmann was able to hold the eager Maroons for nine plays before a Madix to Bill Wheat pass combination scored the first maroon touchdown of the year. Skip Ohl added the finishing touch to the scoring march by converting the extra point. Midway in the second quarter, Champaign's Football King, Andy Young, made his debut by driving 42 yards down to the Schlarmann 17 where four tacklers were finally needed to pile him up. Stu Clark drove over from the six a few plays later. Bill Ohl, Will Nunnally, and Andy Young led another touchdown march in the fourth quarter which was culminated by Ohl through center for Champaign's third and final score of the game.

Champaign's second game of the season against Quincy was a reliable indicator of the Maroons' future play. Champaign's powerful and fast-moving backfield had a field day as they handed Notre Dame an overwhelming 34–0 defeat. Bill Ohl scored in the second quarter and again in the third after a brilliant 70-yard sprint to pay dirt. Bob Madix and Stu Clark each reeled off 30-yard gains in the third quarter. Two other Champaign backs continued the scoring spree into the fourth quarter. Will Nunnally displayed his Big 12 championship track form as he broke loose and sped 70 yards before he was stopped by an Irish tackler. Two plays later, Will completed his work by scoring Champaign's fourth TD. Fullback Jim Barger later took full advantage of a blocked punt as he scooped it up and ran 36 yards for the Maroons' last score. Not only did Champaign's offense look good as it scored five touchdowns, but the Maroon defense also effectively blocked any Notre Dame scoring.

Champaign's driving backfield and line met their first big barrier of the year, Moosehart, and emerged with these results: the Maroons beat the

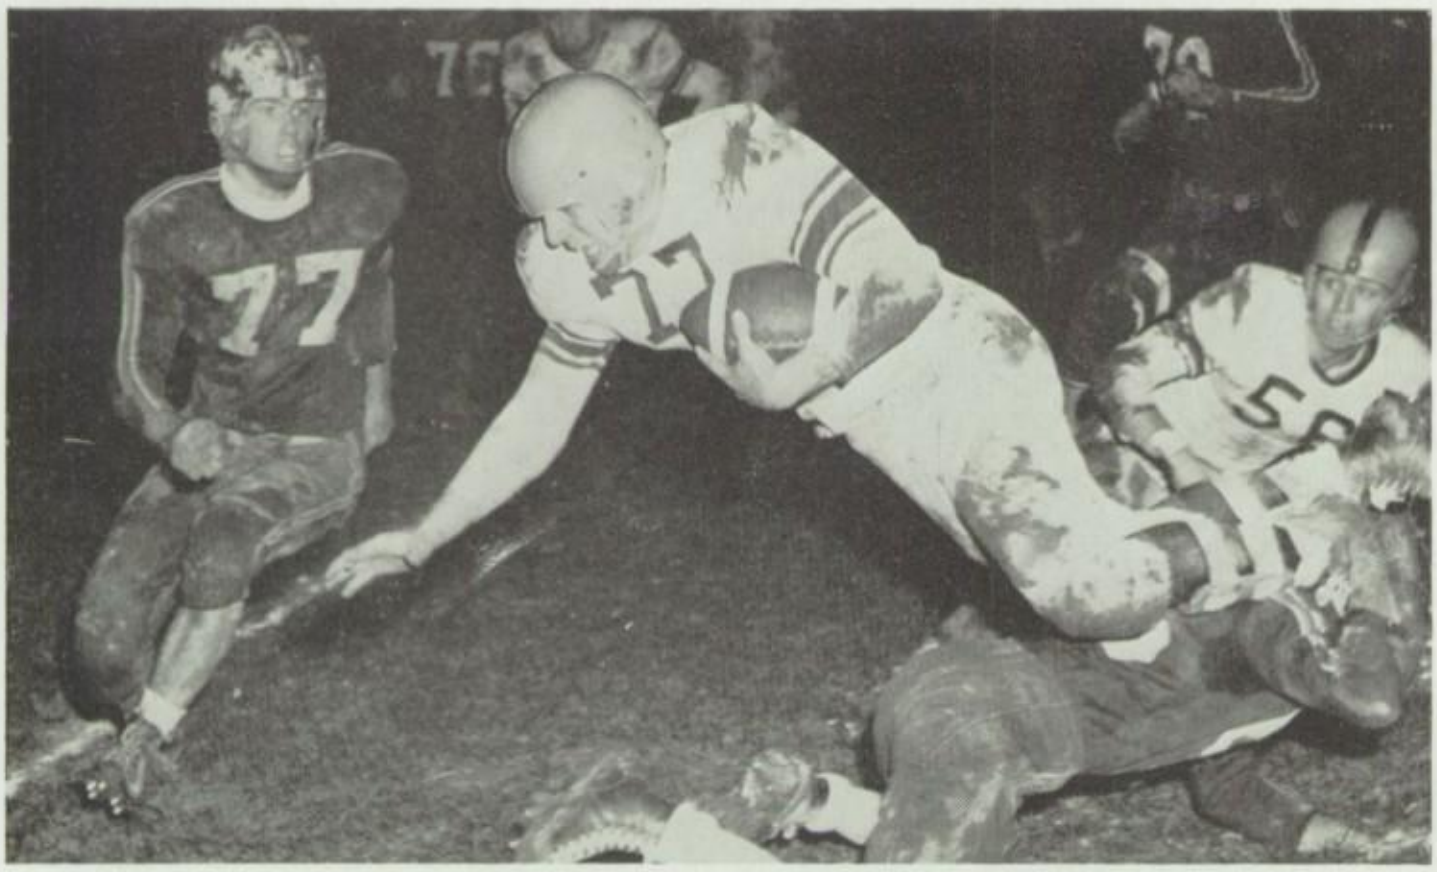
"End of the line for Ohl"

"Barger in the clear"

Ramblers 47–20, set a new scoring record between the two schools, and shattered a seven-year Moosehart winning streak. The powerful Moosehart team, which had won its previous game 72–0, was entirely outclassed by a vitalized Maroon eleven. Sparking Champaign's offensive play were Young, Clark, Easterbrook, Barger, Madix, Ohl, and Nunnally. Linemen Bill Wheat and Ted Marshky also made key blocks to put these fleet Maroon backs in the clear. Elusive Johnny Easterbrook outwitted, outpassed, and outran the Ramblers as he quarterbacked the triumphant Maroons throughout most of the second half. Easterbrook completed a 15-yard touchdown pass to Will Nunnally and amassed a rushing average of eight yards per carry. Andy Young, running behind a hard-hitting line, seemed at times to be unstoppable as he plowed through the Rambler defense. Andy also made one of the longest runs of the game—an 82-yard touchdown gallop. Another outstanding player of the day, Quarterback Bob Madix, scampered 64 yards through the Moosehart team to score the Maroons' second TD. Stu Clark, hard-running junior, held the honor of being the only Maroon to score two touchdowns—the first and the last of the game, one of which climaxed a 37-yard run. Jim Barger played his usual brilliant defensive game, this time by intercepting a Rambler pass and scampering 35 yards into Moosehart's end zone. Bill Ohl and Will Nunnally not only had a touchdown apiece, but they also gained many "first in 10's" for the Maroons.

"Clark finally stopped"

After a three-game winning streak, the Maroons ricocheted off a strong Joliet Catholic team and emerged from the game with their only tie of the season. Bill and Skip Ohl combined their talents to account for 14 of Champaign's 20 points. Bill scored once from 31 yards out, and again from the 7-yard line. Andy Young once again put on a fine performance as he set up a touchdown with his 59-yard run. Stu Clark even improved on Andy's running as he galloped 61 yards to set up Champaign's second TD. The Maroon's defensive team met their fiirst strong air attack of the year and



"Jim Wheat finishes McDade"

held the Hilltoppers to only 39 yards. The Maroons' offensive line continued to improve as they opened up holes time and again to set up 50- and 60-yard gains by their backfield teammates.

To begin their Big 12 play, the Maroons completely devastated a helpless Danville team by a score of 53–0. The Maroons' defense tightened up to hold the Danville Streaks scoreless while their offensive players ran rampant at McKinley field. Ohl led the CHS scorers with two TD's; one from the eight and another thrilling 91-yard kickoff runback. Maroon blockers, especially Skip Ohl, mowed down would-be tacklers as Bill dodged and faked his way nearly the entire length of the field. Clark once again broke into the scoring column, this time with only one touchdown, however. In rushing, Stu piled up a tremendous average of 9.2 yards per carry. In the fourth period, the Maroon's line opened a hole for Will Nunnally who flashed through for 32 yards and another TD. Bob Madix connected with end Jim Wheat on two occasions—a 31-yard TD pass and later a 43-yard pass and run combination which also ended in pay dirt. The line also ripped holes in Danville's defenses for Easterbrook and Young, both of whom scored on runs of 50 and 55 yards, respectively. End Jim Huxtable was instrumental in one TD—Jim recovered a fumble and on the next play made a key block which set the maroons' Easterbrook loose on yet another touchdown sprint.

"The Football King in action"

For the first time in five years, the Maroons played in a rainstorm as they met Mattoon at McKinley "Lake." Despite the soggy conditions, however, the Maroons continued their winning streak by overpowering Mattoon 31–0. Barger and Clark were probably the Maroons' most impressive players with rushing averages of 11 and 18 yards, respectively. Although "Barg" didn't score a TD, he set up one with his 30-yard run on the first play from scrimmage, and another by two consecutive runs of 28 and 21 yards later in the game. An 18-yard run by Stu Clark was followed by a brilliant 39-yard gain by Bill Ohl. A few plays later, Stu scored his first touchdown from 32 yards out, and his second one from the 38-yard line. Champaign's linemen not only held the

Green Wave scoreless, but they also made shambles out of any defense which Mattoon presented.

In their third game of Big 12, the Maroons faltered somewhat but emerged victorious over Bloomington, 13–0. Despite the fact that the Maroons outgained the Raiders 270–90 yards from scrimmage, the game was a very close one. Early in the second quarter, Bob Madix displayed his dextrous passing ability as he heaved the pigskin 48 yards into the hands of his favorite receiver, Jim Wheat, for a TD. Finally in the third quarter, Dave Eyestone intercepted a Raider pass to set up Champaign's second and final score of the game. Will Nunnally and Bill Ohl capitalized on this opportunity and scored two plays later. Early in the game, Dan Dancey had prevented a Bloomington touchdown when he recovered a fumble on the Champaign eight-yard line. Once again Champaign's defense had held their Big 12 opponents scoreless.

The Champaign-Urbana game of 1955 will undoubtedly be long remembered by Champaign fans as one of the most exciting games of the year. It probably will be remembered more, however, because of Champaign's 21–12 victory. The Maroons' victory was due largely to three senior ballplayers —Bob Madix and Bill and Jim Wheat. Coming from behind an early 6-point Urbana lead, Madix passed first to Barger for 20 yards, and then to Jim Wheat in the end zone for the Maroons' first TD. Skip Ohl kicked the crucial extra point, putting Champaign ahead 7–6. Again in the second quarter, Madix completed a TD pass—this time to Bill Wheat; and once again Skip Ohl converted the extra point. Champaign's third and final score was also set up by a Madix to Bill Wheat pass which was stopped just eight yards short of a touchdown. A few plays later, Andy Young scored from the one-yard line to put the score at 20–6. In the last minute of the game, Urbana scored for the second time, but the Tigers were never able to catch their Maroon rivals.

Champaign's last opponent of the year, Streator, was beaten by a score of 33–12, thus ending an undefeated season for the Maroons. Coach Tom Stewart stepped alongside Les Moyer and Fred Major who had previously coached Champaign's only undefeated teams. Seniors Madix, Barger, Young, Ohl, and the Wheat twins put on an especially fine exhibition in their last game of high school football.

Reserve Football

The Champaign reserve football team, following in the footsteps of the varsity, also enjoyed a very fine season as they won six games and lost only one. Although the season started with a loss to Mattoon, it ended very successfully as Georgetown, Danville, Schlarman, Urbana, Clinton, and Bloomington all were defeated. During the season, the reserves amassed a total of 111 points, while limiting the opposition to just 50. The last scheduled game of the season with Decatur was rained out. Probably the most outstanding sophomore of last year was Chuck Coleman, who earned both a letter and a numeral. Other outstanding reserves include Richie Green, Walt Jackson, Willie Franklin, and Bob Roseman.

In addition to those previously named, Coaches John Macek and John O'Connor awarded numerals to Ronie Apperson, Larry Austermiller, Lee Bray, Jack Bailey, Jack Billington, Bill Childress, Jerry Felgenhauer, Marvin Farmer, Don Jackson, Sidney Johnson, Wayne Lutz, Howard Mitchell, Bob Rasmussen, Jerry Summerville, Charles Siems, and Jerry Weibel.

Wrestling

Under Coach John Macek and his assistant, Robert Mann, the Maroon wrestlers started the season with four letter winners: Dick Slade, Jerry Dixon, John Swihart, and Captain Tom Pfeifer. During the course of the season the team lost both Dixon and Swihart. The loss of these two caused the grapplers to lose even more valuable experience from an already inexperienced team.

As the season progressed, four individuals stood out: Jim Slade, Tom Pfeifer, Dick Slade, and Dan Dancey. In the Big Twelve tournament, Pfeifer, Slade, and Dancey were crowned champions. Roy Hansen won second, and Bob Kington, Will Wirth, and Ron Apperson won fourths.

In the sectional tournament held in Champaign's new boys' gym, Pfeifer, Slade, and Dancey won firsts. Russ Gannaway, Jim Wheat, and Bob Kington won fourth helping Champaign win fourth place in the tournament.

In the State tournament, Dick Slade was the only participant scoring for Champaign as he reached the semi-finals and won two points.

Letters were awarded to Jim Slade, Tom Pfeifer, Ronnie Apperson, Bill Bland, Dan Dancey, Roy Hanson, Rick Jarrard, Bob Kington, Joe Kington, Jim Lichtenwalter, Will Nunnally, Dick Slade, and Jim Wheat. At a later banquet given for the wrestlers, Junior Roy Hansen was named next year's captain; Dick Slade, most valuable; and Marvin Farmer, most improved.

Basketball

In early November three lettermen and their teammates returned to the CJHS gym to start practice under Coach Harold Jester and Assistant Coach Tom Stewart. Ken Head and Jim Barger shared the captain's title of the team which in four months closed the season with a 12–15 record.

Again this year Champaign met Rantoul for the season's opener. On Wednesday, November 23, the Maroons outscored their host in three quarters for their first victory. Co-Captain Ken Head led Champaign's scoring with 18 points on seven baskets and four free throws. Attrice Dixon scored the first points of the season by making two free throws.

The next week was a full one for the cagers. They met Unity here Friday to post their second consecutive win, 65–46. The following night a strong Kankakee squad treated Champaign to its first defeat, 59–49. Again Ken Head led the Maroons to tie for the game's high score honors earning 17 points.

CHS then lost four more games to Mattoon, Danville Schlarman, Peoria Central, and Taylorville.

During the vacation the Maroons traveled to Centralia to compete in the sixteen-team holiday tournament which took place on December 28–30. Centralia, the host team, topped CHS 89–66 in the first game of the tourney. Although CHS played one of their best halves of the season holding the Orphans to a two-point half-time lead, 39–37, they couldn't pull ahead for a win. In the first round of the consolation bracket, the CHS quintet, shooting .500 on field goals in the second half, trimmed the Freeport Pretzels, 73–69. The Jestermen were eliminated by Sterling in the next game, 72–66.

Back in regular competition, Champaign rolled past the Urbana Tigers in the CJHS gym. This 64–51 victory gave Champaign its first conference win. Heading the Maroons' scoring column was

On the road once again Champaign met Danville. The CHS cagers matched Danville evenly until a cold third quarter put the CHS'ers behind by eight points. The lead proved too much as they lost by a score of 63–55. Attrice Dixon, with 19 points, was high man.

After this loss, the Maroon players outplayed a highly praised Springfield team, and beat them 65–56. The Jestermen then lost to Streator, 69–64. The CHS cagers defeated Bloomington 78–75 in their next home game.

On January 21 at Farmer City, Champaign's 84 was not quite enough against the Farmers' 88. However, this 84 total was the highest Champaign scored in one game this season. A new individual scoring record was established when Attrice Dixon, a junior, scored 31 points. The record of 29 points was previously held by Jim Freeman.

Champaign raised its Big Twelve win record by defeating Danville, 72–66. The next week-end Champaign, in a cold evening, lost to Clinton 76–60.

This time at Urbana, CHS again killed the Tigers, 69–57. Dick Cooper was high scorer of the game with 18 points on seven baskets and four free throws.

On a Frdiay night here, the Lincoln Railsplitters earned their thirteenth consecutive win with a 53–50. With fourteen points, Dick Cooper led the scoring column for the Maroons.

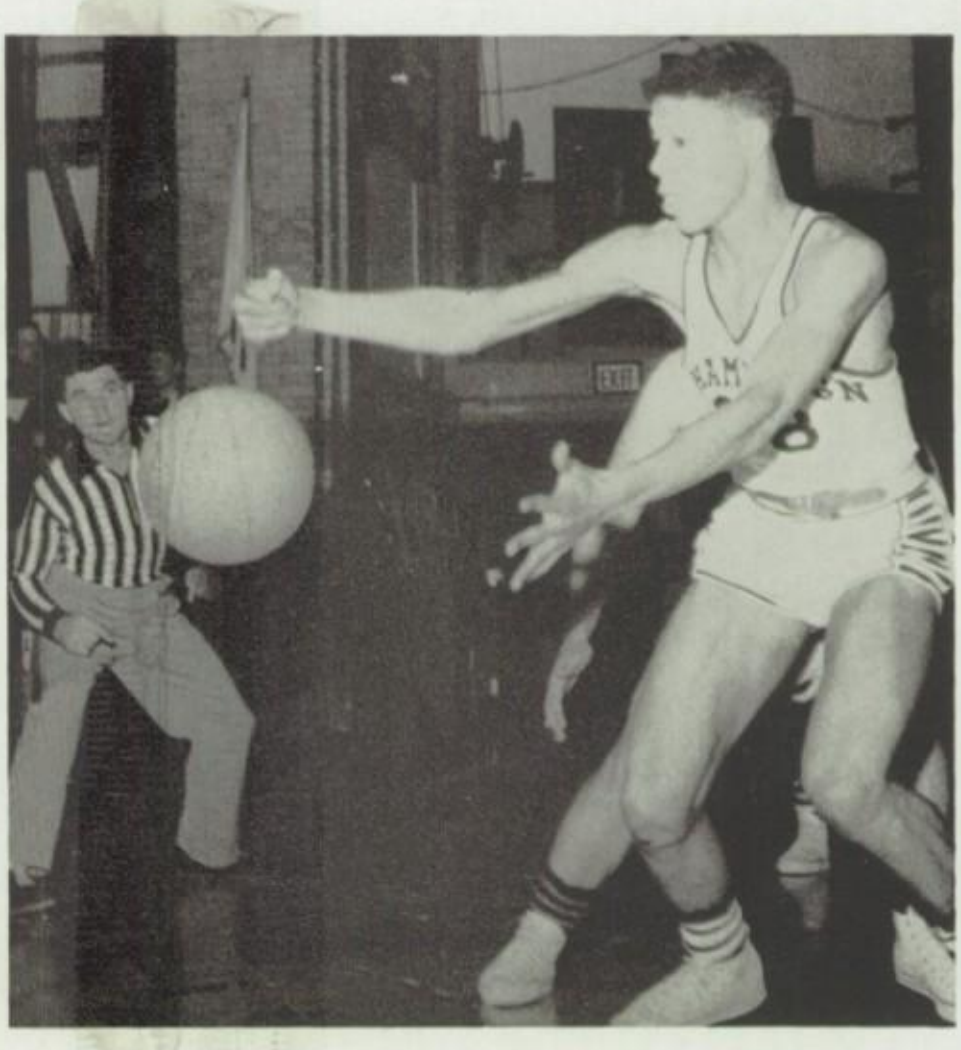
After winning their first game against the Raiders, CHS was handed a 62–56 defeat on the Bloomington floor. John Easterbrook had 19 points, making him the top CHS scorer.

Victory was again tasted when CHS rallied to beat Monticello in an exciting overtime, 67–66, in the CJHS gym.

Champaign closed its regular season against the Green Waves of Mattoon. It was a thriller, but CHS failed to still the Waves as they dropped the close decision to their visitors, 60–59.

Dick Cooper, the junior center, continued to lead the scoring department at the end of the regular season of play with a 246-point total. Most of Dick's points came on 108 baskets out of 245 attempts, giving him a .420 percentage, which was the high mark of any of the Maroon scorers. Close behind was Attrice Dixon with 222 and Johnny Easterbrook, who chalked up 220 points. The three leading scorers are all juniors, who, with Larry Cannon, a sophomore starter, point toward a pretty good team next year.

As the end of the regular season came to a close, the CHS fans were once more attending pep assemblies full of enthusiasm and high hopes—the State was not far off. In the first step to glory the Champaign hoopsters proudly captured the Regional title bringing home another trophy. The opening game brought a 72–42 victory over Uni High. The high scorer for CHS was Larry Cannon who tallied 12 points. Following this game the next opponent, Urbana, was met and defeated in their own gym. Although the Tigers were a



greatly improved team, CHS won after a real struggle, 47–44. The yelling and screaming crowd witnessed a tie with two minutes remaining. The Maroons had been behind, but after the tie they managed to pull ahead for an important victory. Champaign had another win and a regional title after beating Monticello, 64–48, in the final game. During all of the first half the Maroons trailed, but a fast second half, deadly shooting, and a fiery crowd brought victory to the jubilant Champaign team. Larry Cannon led the Maroon attack with 18 points.

CHS then advanced to the sectionals in the CJHS gym. Luck was low that night when CHS was halted by a terrific Newman team, 87–66.

At the close of the season, Dick Cooper was high point man with 277 points. Another record holder was Larry Hausmann, who had the highest free throw average, shooting .756. As a team, the Maroons hit a .580 from the free throw line. On field goal attempts the Champaign team averaged .362.

During the Exchange Club banquet for the basketball team, it was announced that Johnny Easterbrook will be next year's captain. Johnny was one of the two local players to be nominated for the All-Star team. He was the second highest scorer with 258 points.

Coach Harold Jester awarded letters to twelve members of the squad. The seniors that received awards were the co-captains, Jim Barger and Ken Head, John Greathouse, and Larry Hausmann. Junior letter winners were John Busch, George Butts, Dick Cooper, Attrice Dixon, Johnny Easterbrook, Don Hepler, and Terry Lappin. The only sophomore on the team, Larry Cannon, also earned his varsity letter. Dave Roseman, manager, and Denny Dahl, assistant manager, also received letters.

Sophomore Basketball

Winding up a successful 1955–56 season with sixteen wins and four losses in regular season play, the sophomore basketball team shows promise for a future varsity. In tournament play this sophomore quintet won two and lost none. During the season these boys scored 1266 points for an average of 57.15 points per game while allowing their opponents 1099 points for an average of 49.9 points per game.

Sidney Johnson was high point man with 330 points. He was followed by Richard Green, 204; Bill Childress, 184; and Lee Bray, 157.

Numerals were awarded to Bill Barrett, Richard Green, Jack Billington, Sidney Johnson, Willie B. Franklin, Bill Childress, Bill Turnbull, Lee Bray, John Breen, and Bob Rasmussen.

Cross - Country

This year's much-improved Cross-Country team, led by Captain Terry Edwards, produced a successful 4–2 dual meet record against strong opposition. Coach Al Taylor started the season with three returning lettermen and seven other men who made up one of the better Champaign Cross-Country teams in recent years. Since Cross-Country is known for its grueling, long race, the Harriers worked hard to build up their stamina and endurance for the season's meets and as a result they performed very well. Champaign's only entrant in the State Meet, Terry Edwards, finished 71st.

At the annual banquet held at the Allerton Home, Coach Taylor presented letters to Leo Quirk, captain-elect for 1956, Larry Spicer, Bob Allen, Roger Derby, and Terry Edwards.

Next year's squad will have two lettermen to make up the nucleus for a prospective 1956 season.

Champaign's two-year-old swimming team finished the season with four wins and four losses in dual meets, a third in the Big 12, and a fourth in the state meet. The Maroon's ace captain, Bill Mulliken, was singlehandedly responsible for Champaign's high ranking in the state meet as he won the 200-yard breaststroke event and took a second in the 150-yard freestyle competition. Mulliken was likewise a tremendous asset to the team throughout the year. He remained undefeated in dual meet competition by winning his two events, the 200-yard freestyle and 160-yard individual medley, in every meet including the Big Twelve. Only slightly less prominent than Mulliken were Bill Wheat and Charlie Younger who won their events in nearly all meets also.

Claud Meyers, who was drafted as swimming coach, depended quite heavily on Bill for assisting him in his coaching duties. Mr. Meyers and Bill not only turned out a top-notch team as evidenced by their third in the Big Twelve, but they also trained many underclassmen so that the team should be even stronger next year. The tankmen defeated both Urbana and Onarga twice, and lost to Bloomington and Danville twice. All in all the Maroons had a very creditable season and are anticipating an even better season in 1957.

Coach Meyers awarded letters to swimmers Captain Mulliken, Bill Wheat, Harold Lewis, Pete Apple, Lee Summers, Dick Winters, Jim Maxwell, Bruce Chester, Tom Parks, manager, Winkie Franklin, Charlie Younger, and Bob Lehmer.

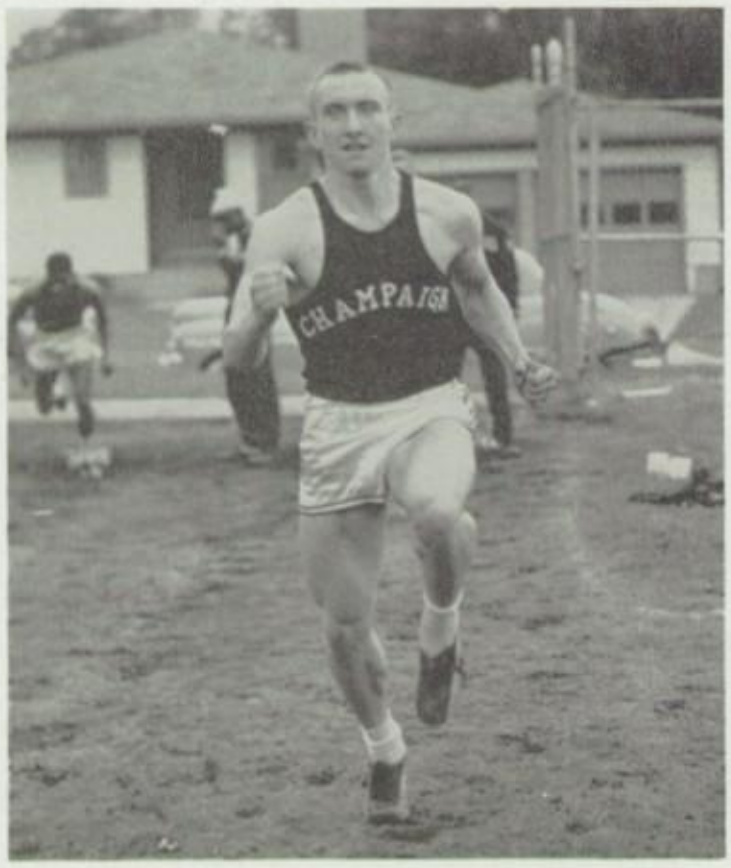
Coach Harold Jester started out the season with eight returning lettermen. In the Urbana Open, they totaled most of Champaign's 17 points.

Track is a sport which requires constant running and exercising in order to maintain perfect fitness. Every year, CHS strives to be in top form for the Big Twelve Meet in May. As records show, the team did not place very high in the Decatur Open or Normal Relays, but they showed definite

Dean Chism



improvement. In dual meets, we defeated Danville and Decatur, but lost to Rantoul and Urbana.

In the Decatur Dual Meet, Jerome Cook threw the shotput 49′0″ for a new CHS record, and in the District meet, Cook broke his own 1954 discus record of 143′ with 157′11½″.

In the State Meet, Champaign scored two points on Jerome Cook's fourth in the discus throw.

As in past years, Urbana was predicted to win the District and the Big Twelve Meets. Urbana won the District, but the long-awaited showdown came in the Big Twelve Meet. It was a hard-fought contest with every man giving the utmost in his own particular event. Will Nunnally won the 180-yard low hurdles in :20.7, and the 120-yard high hurdles in :15.7, while Dean Chism and "Lefty" Le Fever were second and fourth respectively in the 100-yard dash. Jerome Cook took top honors in the discus event with a toss of 150′1½″, and placed third in the shotput. Wayne Whited tied for first place in the pole vault at 11′. In the mile relay and 880-yard relay, Champaign placed fourth. After a long day of competition, Champaign produced three Big Twelve champs, and together with numerous other places, gained third place in a very close scoring meet.

At the end of the season Coach Jester awarded letters to Chism, Clark, Captain Cook, Eyestone, Johnson, Le Fever, Nunnally, Spicer, Talbott, Von Holten, Whited, and Young. Nunnally is captain-elect for 1956.

Baseball

The Maroon nine, under the leadership of Coach Tom Stewart, started the season with an inexperienced team consisting of only three returning lettermen: Jim Majors, Bob Madix, and Captain Tom Breen. The Ninemen, although starting slowly, improved rapidly and won five out of the last six games. The last four games were played in the district tournament, in which the Maroons lost the last game in the final to Decatur.

Although Champaign beat Buckley-Loda 23–5 and posted such an impressive ending, the team's best games were played against Danville and Decatur.

Bob Madix pounded out the highest batting average and also because of his terrific fielding, he was elected captain of the 1956 team.

Letters were awarded to Tom Breen, Bob Madix, Terry Dahl, Denny Kink, Larry Drews, Tom Gabbard, Jim Pickens, Bob Bender, Jim Majors, Don Hepler, Dick Huffer, Gary Kortkamp, Dick Kell, Jim Barger, and Jim and Bill Wheat.

With eleven lettermen returning next year an excellent season is hoped for.

Tennis

Champaign's 1955 tennis team improved over the teams of the last several years by winning five out of their seven meets. The Maroons also produced a strong doubles team consisting of Captain Bob Lansford and Tom Brunkow which advanced to the quarter finals of the state meet.

The Maroon netmen began their highly successful season by beating Hoopeston 7–0. Mattoon outpointed the Maroons 4–3 in their second meet of the year, but Champaign made a fine comeback by trouncing a strong Danville team 5–2 the following weekend. Lincoln and Bloomington were the next schools to fall before the Maroons by scores of 6–1 and 5–2 respectively. A vengeful Danville team handed the Maroons their second and last defeat of the year by a slim one-point margin, 4–3. The Maroons won their last game of the year over Bloomnigton, 5–2.

In the Big 12 tournament, Champaign placed fifth, as Lansford and Brunkow copped second in the doubles competition. This pair won the doubles in the district meet, thus advancing to state where they got as far as the quarter finals. Champaign was also second in total team points in the district.

Coach Don Adams awarded letters to Bob Lansford, Tom Brunkow, John Harbeson, Jim Kelly, Jim Riley, and Bob Theilmann.

Live for something, have a purpose

And that purpose keep in view;

Drifting like a helmless vessel,

Thou canst ne'er to life be true.

Half the wrecks that strew life's ocean,

If some star had been their guide,

Might have now been riding safely,

But they drifted with the tide.

lots of luck in all
you do.
X = Dick Winters

Dear Carl

Well I guess I can write a whole page to you. We've been together often enough. We've never really had a date but Man we might as well have had. Remember the time at Washers Birthday party and the time you and Karen picked me up at the Den to find Johnny. Well we never did find him, but I'm really glad. There been lots of other times and I hope there will be more. You're a real cute guy and loads of fun. (Kind of) Ha Ha I'll see you around a lot next year and I also hope this summer. Will be neighbors real soon and man we'll have a ball. I just hope I don't move. Stay just the same and you'll go a long way

By now Love ya

Kathy McSleazy

P.S. Be good, if you can't be careful.
